

# Corrosion Protection Bearing Units

**AMI Bearings, Inc.**  
an **ASAHI** company

PH: (800) 882-8642 • FAX: (847) 759-0630  
www.amibearings.com

## PRIME SERIES

AISI 440C Stainless Steel Bearing Insert  
PBT Thermoplastic Housing

**Typical Applications:** Beverage, Dairy, Poultry & Fresh Meat Processing, Fruit & Vegetable Processing, Pharmaceutical  
**Bore Size Range Availability:** 1/2" to 2" and 12mm to 50mm

Ideal for HACCP Requirements

## SHUR-SEAL SERIES

Stainless Steel or Zinc Corrosion Resistant AISI 52100 Steel Bearing Insert  
PBT Thermoplastic Housing with Closed & Open Covers, and Back Seals

**Typical Applications:** Beverage, Seafood, Poultry & Fresh Meat Processing, Pickle Processing, Citrus Processing  
**Bore Size Availability:** 1/2" to 1-1/2" and 20mm to 50mm

## SELECT PLUS SERIES

Zinc Corrosion Resistant AISI 52100 Steel Bearing Insert  
PBT Thermoplastic Housing

**Typical Applications:** Snack Foods, Pickers, Packers, Agriculture  
**Bore Size Range Availability:** 1/2" to 2" and 15mm to 50mm

Ideal for HACCP Requirements

## PRIME PLUS SERIES

AISI 440C Stainless Steel Bearing Insert  
AISI 304 Cast Stainless Steel Housing

**Typical Applications:** Bakeries, Seafood, Poultry & Fresh Meat Processing, Marine  
**Bore Size Range Availability:** 1/2" to 2-1/2" and 12mm to 65mm

## CHOICE SERIES

Kanigen Corrosion Resistant Set Screw Locking AISI 52100 Steel Bearing Insert  
PBT Thermoplastic Housing

**Typical Applications:** Beverage, Snack Foods, Pickle Processing, Citrus Processing  
**Bore Size Availability:** 1/2" to 2"

## CHOICE PLUS SERIES

Kanigen Corrosion Resistant Accu-Loc AISI 52100 Steel Bearing Insert  
AISI 304 Cast Stainless Steel Housing

**Typical Applications:** Canning, Coating, Grading, Blending, Bleaching  
**Bore Size Range Availability:** 3/4" to 1-1/2"

Ideal for HACCP Requirements

## CHOICE EXTRA SERIES

Kanigen Corrosion Resistant Accu-Loc® AISI 52100 Steel Bearing Insert  
PBT Thermoplastic Housing

**Typical Applications:** Food Processing, Conveyor, Pickle Processing, Citrus Processing, Glass Manufacturing, Outside HVAC, Labeling  
**Bore Size Range Availability:** 3/4" to 1-1/2"

## SELECT SERIES

Zinc Corrosion Resistant AISI 52100 Steel Bearing Insert  
Nickel Corrosion Resistant Housing

**Typical Applications:** Agriculture, Fertilizer & Manure Spreaders, Lumber Processing, Wet Recycling, Pulp & Paper, Waste Water Treatment, Car Wash Systems  
**Bore Size Range Availability:** 1/2" to 2-3/16" and 15mm to 50mm
